

# Drink Artesian<sup>®</sup> on the Rocks!

*Pure, Cold and Delicious Ice & Water Help Get the Job Done!*

Whether it's providing patient care in the healthcare environment or serving staff and visitors in breakrooms, office suites and other settings, Pure Ice & Water help improve efficiency, morale, and even comfort and safety.

**Performance:** Up to 260 lbs. of ice production in 24 hours, with storage capacity of up to 12 lbs.

**Smarter Construction:** Durable stainless steel evaporator and exterior panels. Greaseless bearings for reduced maintenance. Larger sink opening and dispensing area. Antimicrobial AquaArmor with AgION™ is molded into key components.

**Space-maximizing design:** The industry's smallest operational footprint relative to capacity. Featuring specially designed contoured sides for enhanced breathability and an external air filter.

**More convenient front access:** Removable front panels allow ease of access and service to all key internal components. Including a removable storage bin for better cleaning and maintenance access.

**Enhanced service features:** Intuitive LED diagnostic lights reduce service time. New removable sink and grill provide maximum access for ease of cleaning.

**Energy and Water Efficiency:** Industry leading efficiencies deliver on going savings.

**Specifications:**

24 hr Production: 260 lb @ 70/50, 225 lb @ 90/70

Dimensions: 16.25" W x 24.38" D x 35" H

Available Condenser Options: Air

Storage Capacity: 12 lb
